PROBLEMS? I HAVE THE SOLUTIONS

Goods are sold in boxes (120x80x60 cm).

Each box contains a mixed assortment of products:

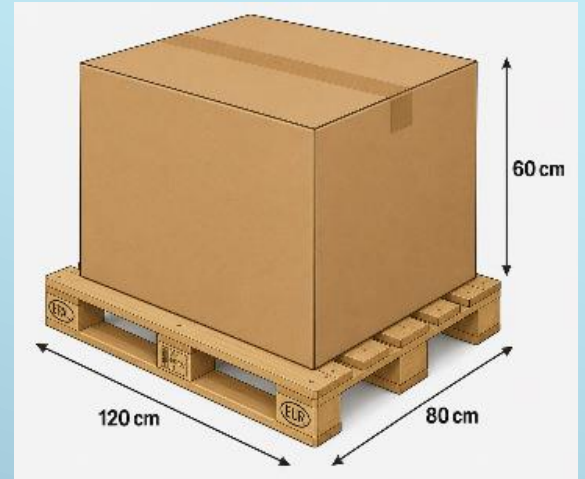

25—40% electronics

Remaining items include home goods, office supplies, kitchenware, and children's toys.

Weight per box: 95-110 kg

Quantity per box: approx. 220-250 items

All items are small to medium-sized – no bulky goods included.

MOQ: 66 box → 350€/box → 23.100€ (22 pallets)

99 box → 350€/box → 34.650€ (full truck)

Option 2 - Sales by Weight A-B GRADE

Goods are sold per kilogram at €3.25/kg.

Each shipment consists of Amazon original goods, still in their factory-sealed packaging.

Items are unopened, untested, and completely untouched, exactly as they were shipped by Amazon.

Products include a wide mix: electronics, household items, office, supplies, kitchenware, and children's toys.

MOQ: 5.000 kg * 3,25€/kg = 16.250€

Full truck (8.000 kg) * 3,25€/kg = 26.000€
